Mr. John T. Elliff  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Mr. Elliff:

By letter dated 26 May 1988, the Committee made certain requests regarding its investigation of the Committee in Solidarity with the People of El Salvador. The third request was for copies of any Agency information which pertain to certain Federal Bureau of Investigation documents forwarded by the Committee. Because these are documents containing third agency information, we first treated them as such and processed them accordingly before undertaking any broader search for Agency information. [REDACTED]

In keeping with our review of the third agency information, we are enclosing copies of Agency materials which we are able to provide, [REDACTED]
